FFY 2017 CDBG COMPETITIVE
PUBLIC HEARING NOTICE**

It is the intent of Potter Township Board of Supervisors to ask the Centre County Commissioners to apply on its behalf for federal Community Development Block Grant (CDBG) Competitive funds through the Department of Community and Economic Development (DCED) for the Potters Mills Waste Water Treatment System. A public hearing will be held on Monday, September 18, 2017, 7 PM, at the Potter Township Municipal Office, 124 Short Road, Spring Mills, Pennsylvania.

This public hearing is being held to allow citizens an opportunity to become educated on the project, as well as provide a forum for citizen feedback and discussion. Public testimonials and support are critical for this project to be considered for CDBG Competitive grant funding.

The public hearing will be facilitated by staff from the SEDA-Council of Governments. Items of discussion include:

- **Project Description**
- **CDBG Competitive Program Requirements**
- **CDBG Competitive Application Schedule**
- **Anticipated Budget and Construction Schedule**
- **Special Conditions of the CDBG Competitive Grant**

To learn more about this project and, more importantly, how this project may affect you directly, you are encouraged to attend this public hearing.

Technical assistance will be provided upon request to any groups or persons, especially LMI persons or their representatives, when developing proposals intending to use CDBG funds. The Supervisors will strive to make all programs and activities accessible to the learning, mobility, vision, hearing, and language-impaired persons. If you have a disability or limited English proficiency and require an auxiliary aid or accommodations, please contact Geralee Slotterback at SEDA-COG, 1-800-332-6701, to discuss your needs. Translators will be available upon request.

Any complaints should be written and submitted to Linda Sterling at SEDA-COG. Written responses will be addressed within 15 working days when practicable.
