

**Potter Township Planning Commission  
Minutes April 4, 2017**

Called to Order: 7:12 p.m.

Present: Tom Doman, Mike Troyan, Karl Eysenbach, Ron Grove

Absent: Michele Brown, Paul Sampsell, Mary Carol Frier

Citizen Concerns: None

Zoning Officer's Report was discussed.

Supervisors' Report: The cell tower ordinance was discussed and Bob Rayman was contacted to check if our ordinance is strong enough to prevent indiscriminant erection of cell tower monopolies. Harris Township approached Potter Township to form a common front to keep Rt. 322 upgrade on the current footprint and present that to our legislators.

Old Business: The parking tax was discussed at length and Benner Township ordinance was read and discussed as to how we can institute a similar tax to help maintain property taxes in Potter Township at a reasonable level.

Water Quality Proposal was presented to the PVCA and they OK'd the draft but would like to know how much funding they would need to supply for meeting announcements, brochures, and etc.

Mark Ralston has been following through with setting up a committee for a Water Quality Board from Potter Township.

Motion to close by Karl Eysenbach, seconded by Tom Doman, meeting closed 8:54 p.m.
